

What lockdown support is available to Victorian business?

Support is available if you are impacted by the Victorian lockdowns.

A series of grants and top-up grants are available to support Victorian business. There are two main streams for grants in Victoria:

- **New grants** - Grants or grant extensions for businesses that previously did not qualify or did not access the available grants:
 - Licensed Hospitality Venue Fund 2021 July Extension
 - Business Costs Assistance Program Round Two July Extension
 - Small Business COVID Hardship Fund
 - Alpine Resorts Winter Support Program
- **New and existing grant beneficiaries** – top-up support for those who successfully qualify for the:
 - Business Costs Assistance Program Round Two and the July Extension
 - Licensed Hospitality Venue Fund and the July extension, and
 - Alpine Resorts Winter Support Program.

As many of the Victorian support programs are industry specific, it's important that your business's ANZSIC classification is correct (this is the industry category identified when your registered your business's ABN). This code can be updated on the [Australian Business Register](#) through your [MyGov](#) account.
